

Review of 2019 WCCSI Minutes

The Braveheart's Baseball Outing, despite showers, gave us another year of 70 + guests, who by all reports, enjoyed the event.

At the risk of being repetitive, here is the July through December Recap:

- July equals Summer Golf and our WCCSI Scholarship Outing. Last year, we had a great turnout and we hope to do it again. Antonelli Construction always makes this a fun, rewarding event.
- August tastes like a glass of wine. Yes! We will have our annual Strategic Planning Meeting at Broken Creek Vineyard in Shrewsbury Ma. A little food, wine and good conversation.
- September brings back the Scavenger Hunt. Teams converge on Worcester to solve clues about local architecture.
- October welcomes Young Professionals! We will visit Recess, and Adult Play Area filled with games we played as kids, but Life-size. Chess, Checkers, Foosball, Battleship, Connect 4....and Craft Beer? Yes
- November gets us dirty as we visit Yankee Engineering and learn about Soils Testing.
- December and our Holiday Party. Comedians, Food, Drink and Yankee Swapping.
