

## **Review of November 2019 WCCSI Minutes**

By: Mike Sheehan

\*Membership remains at 38. Will you be part of the newest members to help us break 40?

### **Program Review:**

- November gets us dirty as we visit Yankee Engineering and learn about Soils Testing.
- December and our Holiday Party. Comedians, Food, Drink and Yankee Swapping.
- January tentatively could be a mock bid.
- February- Cannabis Control discussion re: Regulation, Grow Facilities and Retail Shops
- March- Video Game Development Presentation: What is required to construct a facility to teach video game design and production? We have reached out to FW Madigan and Becker College for help with this.
- April- Commercial Building Codes with Patti Sheehan, Town of Shrewsbury
- May- Air and Water infiltration testing. Build a mock-up at Sterling Concrete inside the Aggregate Building and have Marvin Window Demonstrate.
- Potential Fall Program- South High School Tour

### **August Brainstorming Meeting Ideas:**

- MEPF 101 Program
- Contract Negotiation and Language
- Other ideas; Brewery Tour, Tour of “The Grid” Neighborhood in Worcester, Baseball Stadium Tour, Conflict Resolution, Working with Millennials, and finally, why do owners pick certain contractors.

**Website and Twitter:** Mike Helly will maintain the Website and Social Media tasks until we find another volunteer to take on Facebook and Twitter. Please forward all information to Mike. We will be inviting potential candidates to a BOD Meeting with the hope of finding a replacement for Jackie.

**Young Professionals:** Terri will stay in contact with Young Professionals re: future programs and social events.

**Construct in Washington DC:** Steve attended the Construct Event in DC and brought back several suggestions to the Worcester BOD which we reviewed and will follow up on.

***\*\*As always, if you are in search of Learning Units, would like to Network, meet new Friends and just sharpen your skills of communication with like-minded people in the construction industry, please attend our programs and consider joining us. There are many opportunities to get involved.***
