Treasurers Report: Our rate of return for our Scholarship Fund has been excellent this year and we will discuss our 2020 strategy with our Investment Advisor within the next 2 months.

Website and Twitter: Mike Helly will maintain the Website and Social Media tasks until we find another volunteer to take on Facebook and Twitter. Please forward all information to Mike. The BOD Members need to learn how to post content and share pictures.

Young Professionals: Terri will stay in contact with Young Professionals re: future programs and social events. In addition to emails, we promised to personally reach out to those who attended YP Night.

Other Items: Terri suggested that we include all program attendees and not just the BOB when we send out the Post Program Questionnaire/ Survey. We all agreed.
